## HARRISON COUNTY HELPED IN DEFEAT

Of Prohibition Amendment  
When It Was Submitted  
to Vote in 1888.

In view of the fact that the probi-  
tion amendment to the state consti-  
tution is to be voted upon at the gen-  
eral election in 1912, it is interesting  
to note the fact that it was voted  
upon once before in West Virginia.  
In 1888 the question of whether or not  
intoxicants should be sold under  
license in West Virginia was submitted  
to a vote of the people and the  
wets won by a majority of 34,086.

The wets, upon that occasion, car-  
ried all but two counties, these two  
being Clay and Nicholas. Ohio coun-  
ty gave the wets a majority of 5,331.  
The vote in 1888 may or may not be  
an indication of what the result will  
be in 1912, but for the benefit of  
those interested in the prohibition  
question the 1888 vote is presented,
